19. INSURANCE

The Host Federation, the Organizing Committee, European Gymnastics and World Gymnastics will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like. The European Gymnastics and World Gymnastics Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

The World Gymnastics insurance IMSSA (International Medical & Security Sports Assistance) for **gymnasts and judges** with a valid World Gymnastics Licence / Brevet is valid for these European Championships. Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by World Gymnastics IMSSA subsidiary insurance. Please also refer to https://www.gymnastics.sport/site/pages/medical-insurance.php for additional information regarding the World Gymnastics IMSSA insurance for Athletes and Judges. **All other delegation members are NOT included in this insurance and must present a proof of insurance at the accreditation.**

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing). Delegation members with insufficient insurance cover must inform the LOC in advance.
The LOC will subsequently offer insurance at the Federations' own charge as follows: **50 EUR** per person and per day for the duration of the event. Please contact the LOC for more details: events@esatourgroup.com

The medical team present at the venue during the competition will undertake all necessary steps for guaranteeing the best possible follow-up in case of injury/accident.
