1. Introduction and definitions

1.1 Purpose

The purpose of accreditation is to identify people and their roles and to allow them the necessary access to perform their functions. These Directives are valid for all European Gymnastics European Championships and other European Gymnastics events.

An accreditation:

- ensures that only the appropriate qualified and eligible people are entitled to participate in or perform official functions at official European Gymnastics events;
- limits participants' access to areas they need to go to perform their official function and keeps unauthorized people out of secure zones;
- ensures that participants reach these areas in a safe and orderly manner.

Members from a suspended Federation are not entitled to any accreditation. This rule shall not apply to the Congress.

For further details regarding Media accreditation, we refer to the European Gymnastics Media Rules.

1.2 Specifications of the card

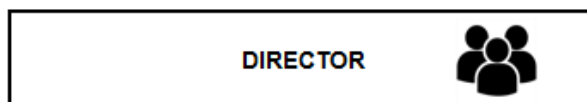

The accreditation is a card displaying several elements of information about its holder on its front and back sides.

I agree that all photos and moving images taken by me at the event shall be used solely for personal and non-commercial purposes unless prior written consent is obtained from European Gymnastics."

b) Optional elements:

- Other sponsors' logos (to be approved by European Gymnastics).

1.3 Accreditation per Championship

For the European Championships organised at the same time for seniors and juniors, only one accreditation has to be prepared by the LOC, without making any distinctions between seniors and juniors. Concerned by this rule are:

- European Championships ART - Even years
The ECh MAG Seniors and Juniors are considered as only one Event
The ECh WAG Seniors and Juniors are considered as only one Event
- European Championships ART - Odd years
The ECh MAG and WAG are considered as only one Event
- European Championships RG, Seniors and Juniors
- European Championships TRA, DMT, TUM, Seniors and Juniors
- European Championships ACRO, Seniors and Juniors
European Age Group Competitions ACRO, 11-16 years and 12-18 years are considered as one Event
- European Championships AER, Seniors and Juniors
- European Championships TeamGym, Seniors and Juniors

1.4 Accreditation for Gymnastics for All Events and European Gymnastics Congresses

For the Gymnastics for All Events as EUROGYM, the Golden Age Gym Festival and the European Gym for Life Challenge as well as for the European Gymnastics Congresses, an accreditation has also to be prepared by the LOC.

For EUROGYM, the LOC has to indicate on the front side not only the complete name and nationality of the participant but also the code for accommodation, for the chosen workshops as well as a bar code in order to easier identify the more than 4000 participants.

For the EGFL, the complete name, nationality, code for accommodation as well as the bar code.

For the GAGF, the LOC has to indicate only the complete name, nationality, the workshops as well as the bar code as the participants lodge in different hotels.

Useful information must be indicated for all GfA events on the back side.

See different examples at the end of this document.

1.5 European Gymnastics EC members, European Gymnastics Honorary members, TC members and accompanying persons

(This paragraph does not apply to European Gymnastics Congresses)

The members of the European Gymnastics Executive Committee and the European Gymnastics Honorary members are entitled to a free accreditation.

The members of the European Gymnastics Executive Committee and the European Gymnastics Honorary members are entitled to one accompanying person at their discretion. The accreditation for this guest must be purchased from the LOC. The price to be paid to the LOC amounts to a maximum of 180.- EUR for a guest accreditation or to a maximum of 250.- EUR for a VIP guest accreditation.

The TC members of the event concerned of European Gymnastics are entitled to one accompanying person at their discretion. The accreditation for this guest must be purchased from the LOC. The price to be paid to the LOC amounts to a maximum of 180.- EUR or 250.- EUR with VIP access.

The accompanying person is only entitled to an accreditation if the person who has the right to invite attends the event and only for the period during which he/she is present.

All requests for accreditations must be submitted in writing to the headquarters of European Gymnastics at the time of the definitive registration.

1.6 Former Champions

At European Championships only, former Olympic, World and European Champions are entitled to a free accreditation, provided that a written request was made to European Gymnastics at the time of the nominative registration.

1.7 a Delegation Guests

(This paragraph does not apply to the European Gymnastics Congresses)

Each participating Federation has the right to request Guest accreditations at its discretion, e.g., for sponsors, important federation's officials, etc. The NF must address the request directly to the LOC at the time of the definitive registration.

The LOC is entitled to charge the following costs for Guest accreditations:

- "Guests" who have their accommodation booked through the LOC have access to the delegation seats and transport system (T3) and are invited to the Banquet. The price to be paid to the LOC amounts to a maximum of 180.- EUR.
- "Guests" who do not have their accommodation booked through the LOC have access only to the delegations' seats (no transportation system and no Banquet). The price to be paid to the LOC amounts to a maximum of 180.- EUR.
- The costs for VIP Guest Accreditations amount to a maximum of 250.- EUR.

1.7 b LOC Guests

- The LOC may issue accreditations for its own national guests/VIP guests. For any international guests/VIP guests of the LOC, the approval of European Gymnastics is needed.

1.8 Delegation Security

Each participating federation has the right to request Security accreditations. The request must be submitted at the time of the definitive registration. Together with it, a letter from the governing body handling security matters in the requesting Federation must be sent to the European Gymnastics office to confirm that this request concerns actual security needs and that the persons to be accredited are professional security staff.

1.9 European Gymnastics Guests

For European Gymnastics, 20 Guest accreditations with VIP access must be provided at no cost, as well as 10 neutral accreditations (access limited to the zones 6, 7, 8).

The 20 Guest accreditations come in addition to those mentioned under 1.5 and 1.6 as well as to those for the European Gymnastics Sponsors and Partners.

The LOC may charge a maximum of 180.- EUR for any additional European Gymnastics Guest card.

1.10 Presidents of European Gymnastics affiliated Federations

(This paragraph does not apply to European Gymnastics Congresses)

Presidents of NF who are not in the function of Head of Delegation shall be accredited in the “DEL” category with Guest Function and VIP access. Their function shall be described as “NF President”.

The LOC can charge a maximum of 250.- EUR for this accreditation.

The Presidents of Federations participating as Head of Delegation shall be accredited as “Head of Delegation”. Their function shall be described as “Head of Delegation NF President”.

1.11 Observers

(This paragraph does not apply to European Gymnastics Congresses)

An accreditation as observer may be delivered to delegations representing organisers or a potential organiser of a future multiple sport games, GfA events, World and European Championships event held in the discipline concerned. Accreditations as observers must be approved by the European Gymnastics Director.

Observers shall be accredited free of charge (zones 6, 7, 8, 15), including 2 VIP accreditations, up to a maximum of 6 persons.

The LOC may charge a maximum of 180.- EUR per additional accreditation as observer.

The LOC must organise a guided tour through the various departments.

1.12 Transferable access cards

As access to the warm-up hall is given to accredited delegation members (gymnasts, coaches, medical staff, heads of delegation, team managers) during the scheduled warm-up time of their own delegation, transferable access cards are no longer necessary.

1.12.1 Transferable access cards for the Field of Play (FOP)

A certain number of transferable access cards are allocated to the NF according to the discipline (see charts below).

Such cards may only be used by persons already accredited and must always be used in conjunction with the primary accreditation card.

The colour code and category displayed in the tables below must be included on the printed TACs to distinguish the different categories of competitions (see example of TAC on page 16).

They are only transferable within the NF’s official delegation and appropriate function.

Artistic Gymnastics MAG

Note for Artistic Gymnastics:

1 additional transferable access card for medical staff may be delivered by European Gymnastics upon NF request for Zone 1 for the All-around final competition, where the concerned NF has more than one gymnast competing in different rotations in the same subdivision.

For European Gymnastics and LOC operational reasons, other transferable access cards, upgrade cards and day passes may be issued upon authorisation by the European Gymnastics Director.

European Gymnastics has the right to give transferable accreditations as needed, which are not nominative and shall bear the European Gymnastics logo instead of the picture.

1.14 Transferable access cards for the Doping Control Zone

The LOC shall prepare 25 transferable access cards to give access to the Doping Control Zone (zone 9). These cards are given to the athletes and accompanying persons, if any, at the time when individuals are officially notified that they have been chosen for a doping control. These cards must be returned to the Head of the doping control station.

1.15 Media upgrade cards

For Field of Play and Mixed Zone access, media representatives can get an upgrade card from the European Gymnastics media department and / or the LOC media manager.

1.16 Additional accreditations (coaches, medical doctors, paramedical staff)

The cost for any additional accreditation shall be borne by the member Federations.

The LOC may charge a maximum of 180.- EUR for any additional accreditation.

The number of coaches may not exceed the number of gymnasts.

Accreditations for chaperones for gymnasts being younger than 18 years are at the charge of the Federations (max. 1 chaperone per 10 gymnasts, maximum of 4 chaperones in total).

1.17 Multiple roles

An individual is entitled to one accreditation card only.

If an individual has several valid "accreditable" functions, the highest function is normally printed on the accreditation card and the access zones of the functions are cumulated. Example: Combined accreditation Coach and Head of Delegation – the person will have a Head of Delegation accreditation with access to all zones of "Coach" and "HoD".

The function of judge may not be combined with any other function.

The function of gymnast may not be combined with any other function.

It is forbidden to make a change of function after the nominative entry deadline except in case of special authorisation by European Gymnastics. However, it is forbidden for someone with an accreditation to substitute his/her function with the function of gymnast.

1.18 Lost or stolen accreditation cards

In case of lost or stolen accreditation cards, the LOC must be informed immediately in order to block them. Lost or stolen cards may be replaced at the expense of the card holder (180.- EUR).

1.19 Immediate administrative measures during an event

The European Gymnastics Director or her representative shall take administrative measures for all types of misuse of an accreditation such as zone, time, transfer, etc.

Any misuse of accreditation shall lead to the immediate withdrawal of the accreditation and to a fine of 2'500.- EUR per case to the respective federation or person. Further steps are possible.

The decisions of the European Gymnastics Director concerning administrative measures (withdrawal, fines and others) shall be notified in writing to the individual and the federations concerned. They have the right to appeal to the Jury of Appeal as indicated in the decision of the European Gymnastics Director.

The appeal shall not suspend the effect of the decision of the European Gymnastics Director.

The Jury of Appeal shall investigate the case as soon as possible. The decision of the Jury of Appeal is final.

2. Transportation

T1 = Dedicated cars

T2 = Car pool
