**8<sup>th</sup> Golden Age Gymnastics Festival 2022**

---

Dear Presidents, Dear Friends,

The European Gymnastics Executive Committee and the Gymnastics for All Technical Committee is proud to invite all European Gymnastics Federations to take part in the GOLDEN AGE GYM FESTIVAL (GAGF) - 2022. This edition of the event will take place from **2<sup>nd</sup> to 7<sup>th</sup> October 2022** in Portugal, in the city of Funchal, capital of the beautiful Madeira Island!

The GAGF has become an increasingly important event on the European Gymnastics calendar. This GfA Festival contributes to offer the senior population the opportunity to have more pleasure and be healthier through Gymnastics. The development and sustainability of our sport also involves providing gymnastics to people of all ages.

After the pandemic, senior gymnasts from the four corners of Europe will meet on Madeira island to celebrate health, friendship, joy of living and... to do Gymnastics!

European Gymnastics would highly welcome the participation of all European National Federations in the event with groups of gymnasts 50+ or, at least, with observers who can then replicate the concept of the event in their country. The Local Organizing Committee (LOC) is committed to welcoming representatives from all European Federations, including especially those who have never participated in this great event.

Enclosed please find more detailed information from the LOC as well as an invitation to the Information Meeting (29<sup>th</sup> to 31<sup>st</sup> October 2021), which will be held on Funchal/ Madeira (Portugal).

Your support for the Golden Age Gym Festival by informing your clubs and associations via your magazine/journal or website and social networks about this important Gymnastics for All Event as well as the deadline for the Information Meeting would therefore be highly appreciated.

The town of Funchal is looking forward to welcome you next year! We count on your support and thank you already in advance for your co-operation.

Yours sincerely,

**European Gymnastics**
