Welcome Messages

Hlíf Thorgeirsdóttir – President of the European Gymnastics TC GfA

Dear gymnastics friends

In few weeks we will meet in wonderful Burgas in Bulgaria.

The LOC has been working really hard to ensure that everything will be ready when you arrive.

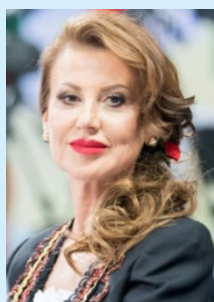

We are sure that in Burgas you will experience the best gymnastics week of your life, performing, taking part in different Workshops and socialising with friends from all over Europe. Beside Gymnastics try also to enjoy the nature, the wonderful city and the vine and gastronomy.

We hope that you will leave Burgas inspired, with a big smile and ready to come back to our next Golden Age Gym Festival in Les Sables d'Olonne in France in 2026.

The European Gymnastics TC-GfA are certain that all our gymnastics friends taking part in GAGF will live an unforgettable week of sports enjoying the hospitality of the Bulgarian people.

The beautiful city of Burgas is waiting for you and we look forward to seeing you all.

Iliana Raeva – President of the Local Organizing Committee, President of BRGF

Dear gymnastics friends,

It is my great honor and a pleasure to welcome you to beautiful Burgas! Probably the best city on the Black Sea coast, Burgas will wholeheartedly accept all of you with its magnificent beaches, sunsets, notoriously warm hospitality and famously delicious Bulgarian cuisine.

And among all of this stays our main focus: Gymnastics! I am proud to say we expect 1414 people from 19 countries and I express my gratitude both to the NFs and to European Gymnastics for the trust, put in Bulgaria. I truly believe you will get to enjoy an unforgettable week of GfA activities, as I am sure Burgas and Bulgaria will leave you with a smile and a desire to come back.

Come, enjoy gymnastics and let all your motions express your emotions!

AUGUST 2024

Welcome to Burgas

The sea gathers together everything that is otherwise far away.

Yoan Exarch (Bulgarian pre-Renaissance author)

To touch Burgas is to touch your dreams. To breathe in the salty sea breeze, to feel the scent of the Black sea, the calm and quiet, to also feel the ebullient life, the smiling eyes of the Burgas people, to taste the delicious food, to feel the power of the sun, rising over the Black Sea, to get lost in the diamond sunsets – this is Burgas. The city that is open to everything far away, the city with the most beautiful lakes, the city which gave artists both to Bulgaria, and to the world, the city which does Festivals like no other, the city that makes you want to stay forever on the shore – this is Burgas.

And it is with joy that it welcomes you!

Social Activities

Burgas Friends

The TC has already sent to all Groups Leaders and HODs the list of the paired Burgas Friends. We do hope this will help you discover each other and will develop beautiful friendships.

Parties

The LOC is happy to organize 3 parties for the participants:

Monday, September 23rd in the Sea Garden (exact location will be communicated at the LOC+HOD meeting). Theme of the party: **"Wine with friends"**.

Tuesday, September 24th in the Sea Garden (exact location will be communicated at the LOC+HOD meeting). Theme of the party: **"Oldies but Goldies Party with retro hits"**.

Thursday, September 26th in the Sea Garden (exact location will be communicated at the LOC+HOD meeting). Theme of the party: **"Party of the Nations"**. Here you can wear/bring identification clothes or gadgets.

Start time of all three parties: 20:30, ending time: around 23:30

All of the parties will be at a bar, so the participants will have many options to choose what they would like to drink. All consummation should be paid upon receiving your drinks. A professional DJ will ensure your good experience at all three of the parties. And the only thing you need to bring is yourself!

Currency

The official currency is Bulgarian Lev (BGN), but EUR is also accepted. Most entities are using contactless POS terminals, but just in case, have some cash with you.

Plan B for bad weather conditions

"Plan B" – plan B is designed in case of bad weather. If that happens, all Closed Workshops and City Performances will be organized inside the Sea Casino, the Summer Theater and the Flora Expo Center.
