June 29th to July 5th, 2026 in Loutraki (GRE)

Dear gymnastics friends,

The European Gymnastics Technical Committee for Aerobic Gymnastics (TC-AER), in collaboration with the Hellenic Gymnastic Federation (LOC), invites interested coaches and athletes from the European Gymnastics member federations to participate in their 2026 AER Training Camp and Coaches Course.

INTRODUCTION

The philosophy of the camp is to provide access and enjoyment for those who would like to improve their performance under supervising coaching experts provided by the TC-AER. The experts will organise the trainings for young participating gymnasts and their coaches. They will also allow the exchange of experience and plan lectures for the coaches. The participants will learn, among other things, how to plan the trainings and the progressive construction of routines.

PARTICIPANTS

No limitation of the number of participants per National Federation. However, the maximum number of gymnasts is **limited to 120 gymnasts**. Registrations will be accepted according to the principle **'first come, first served'**.

The course will be organised in several workgroups.

AGE OF THE ATHLETES

Only gymnasts aged 11 to 17 years can participate (born between 2009 and 2015).

ACCIDENT AND HEALTH INSURANCE

Health and accident insurance is recommended to all participants. In case of illness or accident the European Gymnastics IMSSA insurance can be used by officially registered participants. However, cash payment may be requested by medical professionals and hospitals.

RESPONSIBILITY OF THE COACHES

As gymnasts participating in the training camp are minors, the coach(es) accompanying the gymnasts must take care of the welfare and security of their gymnasts.
