Invitation to the Training Camp in Trampoline Gymnastics (TRA/DMT/TUM) July 24th to 30th, 2022 in Sangalhos (Portugal)

Dear National Federations, dear gymnastics friends,

The European Gymnastics Trampoline Technical Committee (TC-TRA) invites Trampoline, Double Mini-Tramp and Tumbling gymnasts and their coaches from European Gymnastics member federations to participate in its 2022 Training Camp.

We kindly ask you to deliver this information / invitation to the Trampoline Gymnastics coaches and gymnasts in your country potentially willing to participate in this camp. We would very appreciate if you could publish the information about the camp also on your federation website.

Please support your talented gymnasts and prospective coaches from your federation if they want to participate. We have prepared the event to support the further improvement of performance of the gymnasts and the improvement and exchange of experience and knowledge between the coaches.

INTRODUCTION

The philosophy of the camp is to provide access and enjoyment for those who would like to improve their performance under supervising coaching experts provided by the European Gymnastics TC-TRA. The experts will organise the improvement-oriented trainings for young participating gymnasts and their coaches. The experts will also organise exchange of experience and lectures for the coaches. Participants will learn more about training planning and progressive construction of routines.
