To the European Gymnastics Member federations

Invitation to the Training Camp in Trampoline Gymnastics (TRA/DMT/TUM) July 21st to 27th, 2024 in Sangalhos (Portugal)

Dear National Federations, dear gymnastics friends,

The European Gymnastics Trampoline Technical Committee (TC-TRA) invites Trampoline, Double Mini-Trampoline and Tumbling gymnasts and their coaches from European Gymnastics member federations to participate in its 2024 Training Camp.

We kindly ask you to deliver this information / invitation to the Trampoline Gymnastics coaches and gymnasts in your country potentially willing to participate in this camp. We would very appreciate if you could publish the information about the camp also on your federation website.

Please support the talented gymnasts and coaches from your federation willing to participate. We have prepared this event to help improving the performance of the gymnasts and the exchange of experience and knowledge between the coaches.

INTRODUCTION

The philosophy of our training camp is to provide access and enjoyment for those who would like to improve their performance under the supervision of coaching experts invited by the European Gymnastics TC-TRA. These experts organise training sessions aimed at the improvement of both young participating gymnasts and their coaches. The experts will also facilitate exchange of experience between all participants and lectures for the coaches. Participants will learn more about training planning and progressive construction of routines.
