EUROGYM and European Gym for Life Challenge will take place in beautiful Bodø, Norway

With a location just north of the Arctic Circle, Bodø has a spectacular light throughout the year. With the breathtaking and captivating midnight sun as a backdrop for the EUROGYM experience, the theme for next year's event will be «Midsummer Madness».

Bodø is an urban and vibrant city with a unique assortment of wondrous arctic experiences. Let's have fun doing gymnastics on the edge of the great outdoors, with fjords, mountains, glaciers, a stunning coastline, and clear coral green waters as far as the eye can see.
