## **20. INSURANCE**

The Host Federation, the LOC, European Gymnastics and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The European Gymnastics and FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness (including COVID-19), accidents and for repatriation for all the members of their Delegation.

Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by FIG IMSSA subsidiary insurance. Please also refer to <https://www.gymnastics.sport/site/pages/medical-insurance.php> for additional information regarding the FIG IMSSA insurance for Athletes and Judges.

All other delegation members are NOT included in this insurance and must present a proof of insurance at the accreditation.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing).

Delegation members with insufficient insurance coverage will subsequently be offered with insurance at the Federations own charge as follows: 20 EUR per person per day / May 13 to May 18, 2025.
