1. OFFICIALS AND ORGANISING COMMITTEE

This Work plan has been drawn up in accordance with European Gymnastics and the FIG regulations and is based upon the definitive registrations received by the Office of European Gymnastics by **January 21st, 2021**. More information can also be found in the *Directives* of the MAG & WAG 2021 European Championships.

1.1 COVID-19 measures

- These European Championships will be organised following the European Gymnastics COVID-19 guidelines, please see Appendix 1.
- A negative PCR test result (**done max. 72h before arrival**), readable in English, must be provided for all participants at accreditation at the latest. To speed up the accreditation process, please send all test results by email prior to your arrival to: michel.petignat@basel2021.com
- National Federations are requested to send for each delegation member a health insurance confirmation document, valid in Switzerland and stating that it covers the consequences of Covid19; **as for the Covid-19 related quarantine costs, if it is not included in the insurance coverage, the federation must confirm in writing to assume the financial risk themselves.**
The insurance confirmation is to be sent by email to the LOC (michel.petignat@basel2021.com) until the 3rd of April.
- FIG's IMSSA insurance covers Covid19 *as illness* (including all treatments, possible repatriation etc.) for gymnasts and judges. However, an eventual needed quarantine period (or need to stay on site as accompanying person) of a "not ill" person is NOT covered. The national federation must take care of the appropriate coverage and financial planning themselves.
- **In addition to the insurance related information indicated in the Event Directives, the LOC can furthermore also offer an insurance covering Covid-19 as illness.**
- It is the responsibility of the NF to verify the up-to-date travel information before departure to Switzerland with the LOC and on <https://www.sem.admin.ch/sem/en/home/sem/aktuell/entry-restrictions-to-third-countries.html> and on <https://www.bag.admin.ch/bag/en/home/krankheiten/ausbrueche-epidemien-pandemien/aktuelle-ausbrueche-epidemien/novel-cov/empfehlungen-fuer-reisende/quarantaene-einreisende.html>
- A second **mandatory Covid quick test** will be done on site during the week (at the charge of the NF). This test will cost max. € 50 per test and per person (it is still possible that prices will be reduced therefore the max. price is indicated). Payment will have to be done by credit card.
- Any Covid-19 PCR test done to confirm a positive quick test or upon request of the participants for the return trip costs max. € 120 per person (it is still possible that prices will be reduced therefore the max. price is indicated). Payment method will be by credit card
- The use of disposable **FFP2 masks** in and outside the venue (obligatory on the entire St. Jakob Venue area, in and out-side) is **mandatory** for all accredited persons. It is the responsibility of the delegations to bring a sufficient number of FFP2 masks. (FFP2 masks can be worn 3 days and must be disposed afterwards)
- It is highly recommended to stay only within the controlled event-bubble (venue, hotel, official transport) at all times. The use of public transport and taxis is not allowed.
- All participants must fill in the form in the European Gymnastics Covid19 guidelines and return it at accreditation.
- Due to restrictions caused by the Covid-19 pandemic the event will take place without spectators and all side events such as the welcome receptions, city tours, banquet have been cancelled.
- Each Head of Delegation is to be responsible for its own team.
- If any accredited person does not follow the established Covid-19 prevention procedures, the accreditation card will be removed and the person must leave the venue.

1.2 Responsibilities

Should the event have to be cancelled at a later stage the LOC will try its' best to handle the force majeure situation with the reimbursement of costs for accommodation and meal bookings. However, the financial responsibility for all bookings (travel, accommodation, meals) remains with the NF.

In order to maintain the safety of all participants, it is the responsibility of the NF that all of their delegation members commit to fully respect the Covid19 guidelines for European Gymnastics events. We are convinced the Covid19 risks can be brought to a minimum with that. The LOC will prepare the necessary arrangements of eventual quarantine / positive Covid19 cases. Nonetheless, the responsibility for eventual quarantine and/or positive Covid19 cases concerning their delegation remains with the NF. This includes the covering of all costs.
