- If more than 8 gymnasts are qualified in one Apparatus Final, another drawing of lots will take place, to reflect the number of qualified gymnasts.

Tie Breaking Rules

In case of a tie at any position at the end of the TF, AAF or AF, the tie breaking rules set out in FIG/TR will apply.

In case of a tie in points at any place to qualify for, or during the MTF, the tie breaking rules will follow the principles set out for a Team Competition in the FIG TR.

2.3 Changes of the Starting Order

If a qualified gymnast is unable to take part in the AAF or AF competition, then they can be replaced by the next gymnast from their federation, on the condition that their result is better than that of the first reserve. This new gymnast will take the starting position of the gymnast they replace.

If for medical reasons, the best ranked AA Female (on 3 apparatus) / AA Male Gymnast (on 3 apparatus) from the QC withdraws from the MTF, the second ranked gymnast from the NF can only replace her / him, if the new Total Score is higher than that of the NF in 1st Reserve.

Withdrawals / Replacements of gymnasts for medical reasons will be accepted in accordance with the FIG/TR provided that the above-mentioned conditions are met. These forms should be submitted to

- Mrs. Mairead KAVANAGH, European Gymnastics WAG Technical Delegate for the WAG competition
- Mr. Jean-François BLANQUINO, European Gymnastics MAG Technical Coordinator for the MAG competition

2.4 Touch warm-up during competition

Warm-up times according to the FIG rules.

- QC, MTF, AAF & AF on the podium.
- In Apparatus Finals, the first 4 gymnasts will warm-up and compete followed by the remaining 4 gymnasts warm-up and compete.
- Prior to the start of the AF Competition, a timed / controlled warm-up period (one apparatus at a time under lights) is afforded to the gymnasts on the Podium. The exact timing of this podium training will be communicated in the respective WAG & MAG Training Plans. This warm-up will end 30 minutes before the start of the competition.

Touch Warming Up and Competition Procedure for MAG Teams during Qualification

With the potential addition of a 6th gymnast on 3 apparatus to the federation entry, please note the following procedures for the touch warming up and competition in the MAG Qualification.

When the team does not have a 6th gymnast competing on an apparatus, the usual team touch warming up and competition procedures will apply.

When the team does have the 6th gymnast competing on an apparatus, the extra 50 seconds for the touch warming up will be part of the federation warming up time. For example, on Pommel Horse, the federation will have up to a total of 250 seconds (4 minutes 10 seconds) – this is 200 seconds for the 4 team gymnasts plus 50 seconds for the 6th gymnast.

For warming up on MAG vault each gymnast is allowed up to 2 vaults maximum without deduction.

The (up to) 4 team gymnasts will always compete first at each apparatus. The 6th gymnast will compete on the apparatus after all the team gymnasts have competed.

With 2 teams on each apparatus in a subdivision, the first team (plus 6th gymnast if competing at that apparatus) will warm up and compete. Then the second team (plus 6th gymnast if competing at that apparatus) will warm up and compete.

2.5 Access to the competition area

Gymnasts are permitted to return to the warm-up hall during Podium Training & Competitions, without any special approval, in order to share the designated stretching area and the apparatus. Priority will nevertheless always be given to any gymnast's warming-up for the following subdivision. Therefore, permission will be required from any federation(s) warming-up on the Apparatus before the gymnasts coming from the Competition Hall may use a specific apparatus. Gymnasts will be fully responsible to return to the competition hall when required in order to perform their routine on time.

Concerning the presence of the coaches and medical team on the podium, the following provisions will apply:

- For full Teams in the QC, 2 coaches are allowed (WAG – 1 must be female)
- For Federations with Individual Gymnasts in the QC, **ONLY** 1 coach is allowed regardless of the number of Individuals (WAG – Male / Female)
- For Federations with Individual Gymnasts in the MTF, AAF and AF, 1 coach per gymnast is allowed (WAG - Male / Female).
- For all competitions, 1 team medical person per discipline and per National Federation is allowed

3.3 The Apparatus Jury

The WTC and MTC reserve the right to adapt, if necessary, the composition of the Judge's panels according to the situation.

All registered judges must hold the FIG judges brevet (16th cycle). To be allowed to judge the judges must have taken part in the judges' instructions, in the drawing of lots and in the briefings preceding the competitions. In case there is an insufficient number of judges from the participating National Federations, the European Gymnastics MTC/WTC will decide the process for designating the necessary number of judges.

3.3.1 D-jury

- The Supervisors and D1 judges were nominated by the European Gymnastics/TC's.
- For MAG, the D2 positions were drawn by NF. The NF will allocate a judge with a minimum Category 2 and advise European Gymnastics via the Nominative Entry (at the very latest).
- The WAG D2 judges will be drawn on 29th April 2025 by the European Gymnastics/WTC's after the nominative inscription of the National Federations, according to the category of the Judges.
- D Judges are permitted to attend all Training sessions.
- D1 and D2 Judges remain the same throughout the entire competition and are detailed as follows:

- All entered judges must be available until the drawing of lots for the last competition of the respective European Championship. Exceptions will be managed by the President of the European Gymnastics WTC or MTC.
- For AF, a Federation whose gymnast has qualified for an Apparatus Final (including 1st & 2nd Reserve) will as a result, not have their judge included in the Judges Draw for the concerned Apparatus.
- Cat 4 judges, if present, are only allowed to judge line and time.
- As a reminder and according to the European Gymnastics / TR, the function of a judge cannot be combined with any other function.
- E-judges are only permitted to attend the Training sessions of their National Federation.

3.4 Judges' instruction and drawing of lots.

- According to the European Gymnastics / TR, the presence of the Judges at the Judges' instruction is mandatory. If a Judge does not arrive on time and as a result misses the Judges Instruction, she / he will be excluded from judging.
- The Judges' instruction will be held in person and in English. In the event the Judges instruction is switched to an Online instruction, Judges should ensure they bring their Tablet or Laptop to the Championships as a back-up.
- The Judges' oath will be carried out at the end of the Judges' instruction by one of the host Federation's Judges.

3.5 Inquiries of the score

- European Gymnastics applies the relevant TR/FIG Article.
- The detailed procedure is laid down in the Technical Regulations of the FIG.
- For inquiries, please use **Appendix 8**
- ~~Please refer to **Appendix 8.1** for the new process concerning the list of authorized coaches.~~

We would like to inform you that it is planned that all European champions will have an active part in the stadium gala.

All gold medallists will be part of the stadium gala. The European champions will walk into the stadium and present themselves to the audience. To ensure a smooth process for the event, a rehearsal will take place on May 30th, 2025, after the apparatus finals.

We kindly ask all European champions who are confirmed by this date and will not be competing the following day to attend the rehearsal. If a European champion is unable to attend personally, we ask the Head of Delegation to attend on their behalf.

A shuttle service will be available on May 30th, 2025, from the venue to the Red Bull Arena after the apparatus finals.
