1. COVID-19 measures

- These European Championships will be organised following the European Gymnastics **COVID-19 guidelines**, please see Appendix 1.
- A proof of **vaccination or negative PCR test** result (done max. 72h before arrival), readable in English, must be provided for all participants at accreditation latest.
- Only the EU approved vaccines are allowed at the event ([BioNTech/Pfizer](#), [Moderna](#), [AstraZeneca](#) and [Janssen Pharmaceutica NV](#)). This means that the following are **NOT** valid: Sputnik, Chinese vaccines, Canadian vaccine and other domestically produced local vaccines.
- National Federations are requested to send for each delegation member a health insurance confirmation document, valid in Italy and stating that it covers the consequences of Covid19; **as for the Covid-19 related quarantine costs, if it is not included in the insurance coverage, the federation must confirm in writing to assume the financial risk themselves.** The insurance confirmation must be provided at accreditation.
- FIG's IMSSA insurance covers Covid19 *as illness* (including all treatments, possible repatriation etc.) for gymnasts and judges. However, an eventual needed quarantine period (or need to stay on site as accompanying person) of a "not ill" person is **NOT** covered. The national federation must take care of the appropriate coverage and financial planning themselves. The LOC is offering an insurance for the duration of the event (see point 5.11).
- It is the responsibility of the NF to verify the up-to-date travel information before departure to Italy with the LOC and on www.viaggiare Sicuri.it
- A second **mandatory quick test will be done on site** during the week (at the charge of the NF). This test will cost €25 per test and per person. Payment will have to be done during accreditation in cash or by credit card.
- If you need a quick or PCR test to go back home (€60), please fill in the appendix 2 and give it to the LOC at accreditation.
- Face masks (**only chirurgicall not in tissue**) are mandatory for all delegation member! Please bring enough face masks for all your team.
- Fill in the form in the European Gymnastics Covid19 guidelines and give it to the LOC at accreditation.
- All side events such as the welcome reception, round table, banquet have been cancelled.
- Each Head of Delegation is to be responsible for its own team.
- Spectators (maximum capacity will be updated later according to Italian Government decisions) are allowed to enter the Arena. Spectators must come with a proof of vaccination or a PCR test not older than 72h and wear a face mask at all time.
- If any accredited person does not follow the established Covid-19 prevention procedures, the accreditation card will be removed and the person must leave the venue.

1.1 Responsibilities

- In order to maintain the safety for everyone participating in the event it is the responsibility of the NF that all of their delegation members commit to fully respect the Covid19 guidelines for European Gymnastics events. We are convinced the Covid19 risks can be brought to a minimum with that. The LOC will prepare the necessary arrangements of eventual quarantine / positive Covid19 cases. Nonetheless, the responsibility for eventual quarantine and/or positive Covid19 cases concerning their delegation remains with the NF. This includes the covering of all costs
